# MUHAMMAD SHOAIB

## WEB DEVELOPER

I am a junior backend developer with 1 year of training in PHP and Laravel from IT HOUSE Computer & Technical College. I have built projects using Laravel B, including CRUD operations, login systems, and APIs. I also completed a MERN Stack course under the FATA Digital Connect program. I'm a fast learner, hardworking, and ready to work in a software house to grow my skills.

## CERTIFICATE
